

## **Welcome to Rosyth School's Official Facebook Page!**

Our goal is to create a positive and engaging online community that celebrates, inspires, and affirms our students. As this page is solely for celebrating and affirming students, please use other communication channels for questions, clarifications, and feedback to the school, such as contacting teachers directly or emailing us at [rosyth\\_sch@schools.gov.sg](mailto:rosyth_sch@schools.gov.sg). The school reserves the right to remove any posts/comments not aligned with the intent of this page.

## **Respect and Dignity for All**

We are committed to portraying all students and staff with respect and dignity. No individually identifiable personal data via text and/or photos will be posted. For example, the school will not use the full names of students/staff or reflect a student's class. In specific cases where an individual's achievement and name are highlighted, prior consent will be obtained.

Should you prefer that the school does not feature your child in our posts, please email us with your child's name and class at [rosyth\\_sch@schools.gov.sg](mailto:rosyth_sch@schools.gov.sg).
